Welcome to USD Campus Dining

We know that campus dining serves a much larger purpose than simple sustenance. Whether it is your first meal on campus, or you are a frequent guest, we strive to create memorable experiences and gathering places that foster a sense of community and comfort.

Dining Services is a not-for-profit, self-operated auxiliary that proudly serves the students and campus community. We provide over 2.5 million meals per year, and annually allocate earnings back to the university and students. Our nationally recognized, award-winning dining program includes culinary certified chefs and a variety of unique retail locations, concessions, catering and conference services.

Our culinary vision is to create cuisine that is prepared from scratch using authentic, local, organic and seasonal ingredients. We are dedicated to providing you with delicious food and exceptional services at each and every meal. We are ranked #19 nationwide for Best Campus Food by Princeton Review (2020).

We offer menu items that are easily identifiable and include gluten-free, vegetarian, vegan, dairy-free and Halal options to meet the specific dietary and lifestyle needs of every student.
Torero Meal Plans

Torero Meal Plans are designed to provide you with a variety of delicious, nutritious food at a great value. All Meal Plan “meals” provide you unlimited access to Pavilion Dining—at a substantial saving—for dinner every day and brunch on Saturdays and Sundays. Unlimited access means you may return for additional servings throughout the meal period.

Flexibility and convenience are at the core of your Meal Plan. Whether you want a hot breakfast, dinner on the run or a late-night meal, vegetarian selections or a tasty snack, there are options for everyone. Since you may choose from a number of unique campus cafes and restaurants, we make it easy for you to get exactly what you want, when and where you want it!

Students may select the plan of their choice and review status online via the meal plan channel of the MySanDiego portal (within the New Student or My Torero Services tabs).

Before selecting a plan, please carefully review the complete Terms and Conditions online: sandiego.edu/dining
Important Meal Plan Terms

- Per your Housing and Dining Contract (first and second year) residents are required to have a Meal Plan. See requirements on the next page.

- Residents required to have a plan will be pre-assigned and required to pay for the required minimum plan: the Pavilion 105, for first years, or the Torero 75 for second years. See page 6 for details.

- Residents who are required to have a plan may not reduce or cancel their Meal Plan at any time.

- Students who would like a voluntary plan should make their selection via MySanDiego before the start of the fall semester. Voluntary plan holders have the first ten class days of each semester to change or cancel a plan.

- The Meal Plan you have at the end of the fall semester will be automatically assigned to you for the spring semester.

- There are no refunds for plans, including unused meals or Dining Dollars.
