

# Frontiers in Soft Matter and Macromolecular Networks

September 27, 2019, 8:30 am – 5:30 pm

Mother Rosalie Hill Hall  
University of San Diego

## Keynotes:

*Diversifying the 3D printing ecosystem with functional multimaterial capabilities*

Prof. AJ Boydston,  
University of Wisconsin - Madison

*Shape matters -- why wavy crystal grains shrink faster*

Prof. Sharon Gerbode  
Harvey Mudd College

Waters  
THE SCIENCE OF WHAT'S POSSIBLE.®
