Fabulous First Friday Drop-In

Center for Educational Excellence

The Positive Classroom Creating an Invitation to Learn

Friday, January 4, 2013
10:30 a.m. – 12:30 p.m.
Copley Library Conference Room

All faculty are invited to join us for this academic workshop

Join us for this two-hour session to explore proactive methods that create a positive learning environment from the first day of class through the final exam. Using the relatively new concept of the flipped classroom, we will provide you with materials to review several days beforehand so that we will have more time for discussion during the session.

You are welcome to drop in and out of the session as your time allows.
