Executive Summary: Fall 2014 Statistical Report

The University of San Diego is committed to actively promoting awareness, appreciation, and respect for the complexity of cultural, political, environmental, and social issues worldwide while creating a campus environment that builds theoretical and practical skills needed to interact effectively in today's global society. The Fall 2014 Statistical Report includes enrollment of international students and exchange visitors at the University of San Diego. Note that only those who require visas to enter the United States and have met the check-in requirement are included.
