15	Jeffrey S. Moorad Sports Law Journal	NR

The 2018 W&L Law Journal Rankings are now available!

Different from our previous annual rankings, the 2018 Rankings release ranks the top 300 U.S.-published law journals and the top 50 law journals published outside the United States. Journals ranked below these thresholds display "NR" (Not Ranked) for each data category and are listed alphabetically. The survey span of the 2018 ranking is five years (2014-2018). For more information about the previous and new rankings, please see our Methodology page. Send questions or comments to LawJournalRankings@wlu.edu.

<https://managementtools4.wlu.edu/LawJournals/>

“Open questions”

- Sample terms and connectors searches
 - “beyond the scope” /s note or article or comment
 - interesting or open /s question or issue
- Filter by date to get only the most recent hits (last 6 months or last year)
- Search within results to find a particular subject/term

LITERATURE REVIEW

Literature Review

- A survey of books, scholarly articles, and any other sources relevant to a particular issue, area of research, or theory
- Helps you formulate your thesis and locate your arguments within the larger field of study

Reliable Sources

- Evaluate sources for:
 - **Authority** – author is identified, reputable, credentialed
 - **Objectivity** (fairness, lack of bias)
 - **Accuracy** – provides references to sources, verifiable
 - **Scope** (relevance to your topic)
 - **Currency**

1. § 5:2.Copyright—Legislation
Lindey on Entertainment, Publishing and the Arts, 3d - LINDEY3D § 5:2

Congress was very active in parsing copyright legislation in the latter years of the 20th century. Four laws were enacted that have the effect, individually to some extent, and collectively to a great extent of either delaying the time that works will fall into the public domain or actually removing works from the public domain. By passing the...

...source that distributed public domain literary works from its vast **digital library** of such works argued that the extension violated the "limited...

2. § 1:31.70.Educational mass digitization
Lindey on Entertainment, Publishing and the Arts, 3d - LINDEY3D § 1:31.70

An important case is Authors Guild, Inc. v. HathiTrust, for it contains a holding that could have widespread importance for all of the mass digitization cases. In HathiTrust, several universities made an arrangement with Google, in which Google would digitize their entire libraries. After digitization, Google retains a copy of the digital book that...

...the universities then "contribute" these digital copies to the HathiTrust **Digital Library** ("HDL"). The HathiTrust partnership is in the process of creating...

3. § 5:10.30.Fair use: Mass digitization of books
Lindey on Entertainment, Publishing and the Arts, 3d - LINDEY3D § 5:10.30

In Author's Guild, Inc. v. HathiTrust, the Second Circuit addressed several fair use issues. The HathiTrust **Digital Library** (HDL) is a collection of about 10 million electronically scanned works, created by Google with the help of a number of universities, including the University of Michigan. The works are stored on four different servers, three...

...Second Circuit addressed several fair use issues.[1] The HathiTrust **Digital Library** (HDL) is a collection of about 10 million electronically scanned...

Content Type text

Format volume

Summary How cultural property is created, governed, protected, circulated and accessed raises serious questions for individuals, activists and governments. Taking a rounded view of the debates and perspectives that have emerged as essential to the struggle over **copyright** in the **digital** age, this book: * Looks across a broad range of industries including music, television and film to consider the issues of media power and policy. * Is packed with gripping examples and case studies, including pirate bay, Google books, Metallica v Napster, Aaron Swartz/JSTOR and megaupload.com * Features boxed case studies and guided further reading lists. Edited with authority and insight, this book offers students and scholars of cultural and media industries, new media and social media a comprehensive overview of the contemporary issues surrounding intellectual property.

Using other libraries' databases

- You may be able to access subscription databases available at other libraries by visiting campus

NOTE-TAKING TOOLS & TECHNIQUES

Why good note-taking is important

- Bolster your argument
- Avoid inadvertent plagiarism
- Save yourself time and trouble when creating citations

Reference and citation managers

- Reference manager
- Citation support
- Organization and annotation of PDFs and other digital content
- A tool that fits your research style
- You do not have to use an app—can create your own system using folders

A few useful tools

Tools for both document and citation management

zotero

MENDELEY

RefWorks

EndNote

Juris M

Typical features include:

- Free or premium upgrade
- Web, client, mobile apps
- PDF storage & annotation
- Cloud & local storage
- Web content capture
- Citation style (“bibliographic utility”)

Finding the right tool

Comparing reference managers:

- <https://www.library.wisc.edu/services/citation-managers/comparison-chart>
- http://guides.ll.georgetown.edu/citation_tools

Note-taking tips

If you cut & paste text from another source to look at later, **immediately** mark it as copied text & include citation info

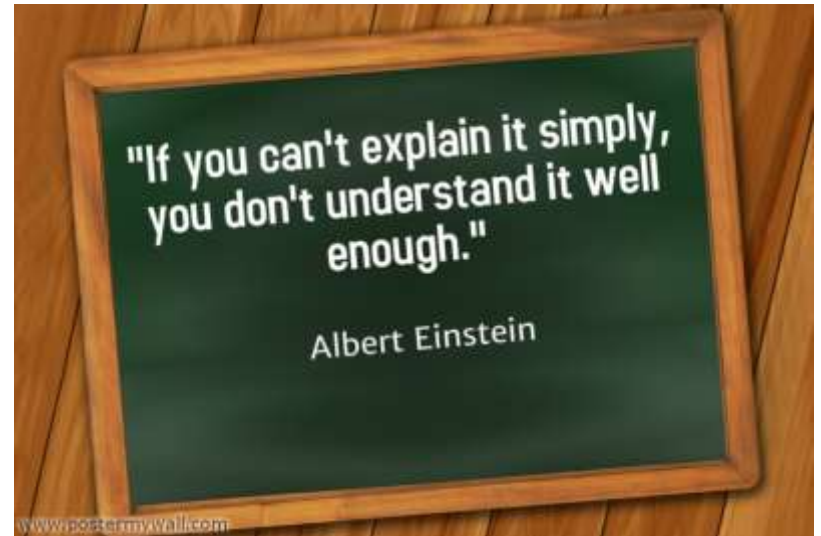

Research log

- Keep a log of where you've searched and what search terms you used (not just what you found)
- This will save you time later

Summarizing & paraphrasing

- Try to do it without looking at the source material
- Not enough to change a few words around, or substitute synonyms
- You have to rewrite the material using your own words

Citing the best source

- Don't rely on Source A to tell you what Source B says – go back to the original
 - Don't cite Scholar A to tell your reader what Scholar B argued
 - Don't cite a book or an article to tell your reader what a case held
 - Don't cite a case to tell you what the statute says

Citation style

- Bluebook 20th Edition. Use “white pages” for law journal papers.
- Consider using Perma.cc to preserve any citations to Internet sources, particularly if you hope to publish your paper.
 - 10 free links per month
 - Unlimited links if you connect your account to LRC
