The minimum tax is currently \$175.00, using the Authorized Shares Method and the Minimum Tax using the Assumed Par Value Capital Method is \$400.00 with a maximum tax of \$200,000.00 for both methods unless it has been identified as a [Large Corporate Filer](#) , then their tax will be \$250,000.00. Taxes are assessed if the corporation is active in the records of the Division of Corporations anytime during January 1st through December 31st of the current tax year.

[Methods of Calculating Franchise Tax](#)

Foreign Corporations

Foreign Corporations must file an Annual Report with the Delaware Secretary of State on or before June 30 each year. A \$125.00 filing fee is required to be paid. If the Annual Report and remittance is not received by the due date, a \$125.00 penalty will be added to filing fee.

Delaware Division of Corporations

How to Calculate Franchise Taxes

Effective January 1, 2018, a domestic stock or non-stock for profit corporation incorporated in the State of Delaware is required to pay annual franchise tax. The minimum tax is \$175.00, for corporations using the Authorized Shares method and a minimum tax of \$400.00 for corporations using the Assumed Par Value Capital Method. All corporations using either method will have a maximum tax of \$200,000.00. Corporations owing \$5,000.00 or more make estimated payments with 40% due June 1st, 20% due by September 1st, 20% due by December 1st, and the remainder due March 1st.

The Annual Franchise Tax assessment is based on the authorized shares. Use the method that results in the lesser tax. The total tax will never be less than \$175.00, or more than \$200,000.00.

Non-Stock for Profit

All non-stock, for profit entities that do not comply with the Exempt Corporation requirements will be required to pay a Franchise Tax of \$175.00

Authorized Shares Method

For corporations having no par value stock the authorized shares method will always result in the lesser tax.

- 5,000 shares or less (minimum tax) \$175.00.
- 5,001 – 10,000 shares – \$250.00,
- each additional 10,000 shares or portion thereof add \$85.00
- maximum annual tax is \$200,000.00

For Example

A corporation with 10,005 shares authorized pays \$335.00(\$250.00 plus \$85.00).

<https://corp.delaware.gov/frtaxcalc/>

Assumed Par Value Capital Method

To use this method, you must give figures provided in your Annual Franchise Tax Schedule L (Federal Return) relative to this method is \$400.00 per million or portion thereof dividing the assumed par value capital

The example cited below is for a corporation with 1,000,000 shares of stock with a par value of \$5.00.

1. Divide your total gross assets by your number of authorized shares.
Example: \$1,000,000 assets, 485,000 shares = \$2,061.856 per share.
2. Multiply the assumed par by the number of shares.
Example: \$5.00 x 485,000 shares = \$2,425,000.
3. Multiply the number of authorized shares by the assumed par value.
Example: 485,000 shares x \$5.00 par value = \$2,425,000.
4. Add the results of #2 and #3 above.
Example: \$2,061,856 plus \$2,425,000 = \$4,486,856.
5. Figure your tax by dividing the assumed par value capital by \$400.00.
Example: \$4,486,856 ÷ \$400.00 = \$11,217.14.
6. The minimum tax for the Assumed Par Value Capital Method is \$200,000.00.

— **NOTE:** If an amendment changing your stock is filed, the tax for the new days of the amendment must be given for each day of the amendment, then prorated for each portion of the year dividing the tax calculated for that portion of the year. The total tax is the sum of the taxes for each portion of the year.

WHAT IS IT?

This section will tell you how a Fictitious Business Name is defined, as well as who should file a Fictitious Business Name Statement.

The Definition of Fictitious Business Name is:

A business name that DOES NOT include the surname of the individual owner, AND EACH of the partners or the nature of the business is not clearly evident by the name.

For example:

Doing business under a name like:

Eisenberg & Yandall Associates

or

Eisenberg & Yandall Sons

would require a Fictitious Business Name be registered, even though the surname of the owner is stated, the words following the surname suggest other owners that are not specifically named.

HOWEVER, doing business under a name like:

Teresa Fiske Plumbing

Correcting a Mistake in a Trust Transfer Deed

Bruce A. Last August 24, 2020

As estate and trust practitioners, we're used to dealing with procedures and rules. Between the Tax Code, the Probate Code, Rules of Court, and local court rules, one might believe that when it comes to estate planning and administration, there's a specified rule for everything. Perhaps this is why...

April 2019 Update

The California Supreme Court approved a new set of Rules of Professional Conduct, effective as of November 1, 2018. Explanations of and citations to rules throughout this book have been revised and corrected as appropriate. See §§1.2–1.6, 1.9A, 1.16–1.19, 1.40, 3.14, 9.11, 10.7, 10.9, 10.25, 11.227.

The California Supreme Court held that a law firm's failure to disclose a known, existing conflict violated the Rules of Professional Conduct, even though the client agreed to a blanket waiver, and that therefore an arbitration decision awarding the firm unpaid contractual fees had to be vacated. *Sheppard, Mullin, Richter & Hampton, LLP v J-M Mfg. Co.* (2018) 6 C5th 59. See §1.4.

The California Legislature has extended the authority for architects, engineers, and surveyors to form professional LLPs until January 1, 2026, and the authority for lawyers and accountants to form professional LLPs indefinitely.
