

Presented by the Trans-Border Institute

DOCUMENTARY VIDEO PRODUCTION WORKSHOP

with Isaac Artenstein

This hands-on workshop teaches effective techniques for conceptualizing, shooting, and post-production documentaries with a distinct voice, compelling storylines, and engaging themes.

Students learn to conduct and shoot interviews, how to illustrate content, and about the basics of digital editing. Clips from documentaries directed by Artenstein and others are used to illustrate and discuss relevant topics and strategies.

Wed. March 28 1-5 Pm
KIPJ Production Studio
