WELCOME TO USD

The University of San Diego is a modern university that reveres its roots. While cutting-edge technology is ubiquitous, the USD community takes great pride in its past and its Catholic tradition.

For six decades, the University of San Diego has been dedicated to providing a values-based education with a mission grounded in Catholic social teachings. Students are encouraged to explore how faith and reason are compatible in education, and to develop strong moral convictions. The university welcomes students, faculty and staff of all faiths, and believes all people benefit from the examination of other traditions.

USD's 180-acre campus, Alcalá Park, overlooks San Diego's Mission Bay. Like California's oldest city, the university took its name from San Diego de Alcalá, a Franciscan brother from Alcalá de Henares, a monastery near Madrid, Spain. The Spanish Renaissance architecture that characterizes Spain's five-century-old University of Alcalá serves as the inspiration for buildings on the USD campus.

Under the leadership of Mother Rosalie Hill of the Society of the Sacred Heart and Bishop Charles Francis Buddy of the Diocese of San Diego, USD began as separate colleges for men and women. The founding charter of the University of San Diego and the San Diego College for Women was granted by the state of California in 1949; in 1972 the colleges merged into the University of San Diego.

Now governed by an independent board of trustees, USD remains dedicated to the values originally articulated by Mother Hill and Bishop Buddy. Students choose from dozens of undergraduate and graduate degree programs in academic divisions including the College of Arts and Sciences and the schools of Business Administration, Leadership and Education Sciences, Law, Nursing and Health Science and Peace Studies. Men aspiring to the Roman Catholic priesthood prepare for their vocation at the St. Francis Center for Priestly Formation.

VISITING USD

We encourage prospective students to visit USD. Contact the Office of Undergraduate Admissions at (619) 260-4506 or (800) 248-4873, or e-mail admissions@sandiego.edu.

MISSION STATEMENT

The University of San Diego is a Roman Catholic institution committed to advancing academic excellence, expanding liberal and professional knowledge, creating a diverse and inclusive community and preparing leaders dedicated to ethical conduct and compassionate service.

CAMPUS LIFE

Living on Campus

Some 2,550 students — nearly half of all undergraduates and a growing number of graduate students — lived on campus in Fall 2008. Among new additions to Alcalá Park are the San Buenaventura apartment building, and the already-popular Missions Café and Fitness Center, all of which opened in Fall 2007.

Six campus housing areas are designated for freshmen. Another five on-campus apartment complexes are available to accommodate sophomores, juniors, seniors, plus law and graduate students. Manchester Village accommodates some 275 upper class, graduate and law students, and houses the Wisdom for the Real World program, aimed at helping students make a smooth transition upon graduation.

Residential Learning Communities place students with similar interests — such as science or social change — together within the residence hall areas. The Residential Life program is supported by professional live-in administrators, staff and graduate students, plus 74 student resident assistants. In addition, 10 faculty members and nine University Ministry staff live in the residence halls as members of USD's living and learning communities.

Dining Services

Dining Services offers students, faculty, staff and guests high-quality, nutritious food in a variety of attractive, comfortable settings. The university's self-operated dining and catering team serves more than 8,000 meals daily. Academy-certified chefs and experienced culinary staff are passionate about the food and services they provide for the campus community each day.

Transportation

There are many ways to get around campus and San Diego for those without access to a car. The USD Tram Service is an on-campus shuttle service that moves students, faculty, staff and visitors to various stops on the campus. The USD Tram Service also provides morning and evening service to Old Town Trolley Station. "Zipcars" provide students with the

freedom to have transportation when they need it without the expense and trouble of having a personal car on campus. San Diego bus stops and trolley stations are just a short walk from campus.

Student Organizations

More than 75 organizations, including fraternities and sororities, academic clubs and multicultural associations are open to students. For more information, contact the Associated Students office at (619) 260-4802 or go to www.sandiego.edu/associatedstudents.

Student Life Pavilion

The 50,000 square foot Student Life Pavilion — designed to be the hub of campus life — is scheduled to be completed in the fall of 2009. Pictured below, the building will feature an outdoor Plaza Mayor, new dining spaces, a full-scale *mercado* and spaces for student government, Greek life and student centers and organizations. The facility will have a positive impact on its environment as the first LEED-certified building on campus.

Campus Recreation

More than two-thirds of the university community — undergraduate and graduate students, faculty and staff — participate in one of the many campus recreation programs offered each year. Intramurals offers leagues in flag football, softball, tennis, volleyball, soccer, basketball, golf and inner-tube water polo. Over 70 recreation and fitness classes are offered each semester. USD club sports host over 450 students participating in 22 sports clubs. Aquatics offerings include classes in swimming, swim training, water polo, surfing, wakeboarding, scuba, kayaking, sailing, water skiing and flow boarding.

The Sports Center is available for informal games of basketball, volleyball and tennis. The pool can accommodate many students; nearby, find a grab-and-go snack bar, equipment checkout and locker rooms.

The Mission and McNamara Fitness Centers offer fitness programs and informal training on both cardio and resistance training equipment. Additionally, 30 “fit and active” classes are offered each week.

Outdoor Programs — an on-campus resource for students, faculty and staff — offers skiing, rafting, rock climbing, horseback riding, mountain biking and hiking outings.

Public Safety

USD’s public safety officers patrol the campus around the clock seven days a week. The department offers a series of crime-prevention programs and a dusk-to-dawn escort service for anyone walking to any location on campus or within a 1-mile radius.

ABOUT SAN DIEGO

Spend a day in San Diego, and it quickly becomes apparent why its nickname is “America’s Finest City.” The weather is pleasant year-round and there’s a plethora of recreational options. Take up surfing, dive into the thriving local arts scene or just meander on the beach. When winter comes, drive a few hours to ski or play in the snow, or head for the desert to experience some spiritual cleansing.

San Diego is California’s second largest city and the United States’ eighth largest, with a population of nearly 1.3 million residents. The region boasts 70 miles of pristine beaches and an array of world-class family attractions, including the San Diego Zoo, the Wild Animal Park, SeaWorld and Legoland. The renowned zoo is just one small part of Balboa Park, an urban expanse that houses numerous museums, art galleries, beautiful gardens and the Tony Award-winning Old Globe Theatres. Petco Park is home to baseball’s San Diego Padres, while Qualcomm Stadium houses the NFL’s San Diego Chargers.

The Mission Bay Aquatic Center is the world’s largest recreational waterfront facility, offering instruction in an array of water sports, including sailing, surfing and kayaking. The center is designed primarily for the students, faculty, staff and alumni of San Diego’s colleges and universities.

USD AND THE COMMUNITY

There’s more to being a good neighbor than just proximity. It’s about weaving USD into the fabric of the community by sharing its resources, its ideas and its people. USD’s public purpose — to debate and seek solutions for human struggles — is articulated concretely through service, and every person on campus is challenged to reach out with talent and time to help meet the community’s needs. Whether it’s renovating a low-income home as part of a project management course, offering faculty expertise to community groups or simply forging a friendship with a local senior who needs household help, the University of San Diego offers myriad service opportunities.

MINISTRY

The University Ministry Center strives to nourish, support and challenge the faith development of all members of the USD community. Through diverse partnerships across campus, University Ministry works to foster an intellectual environment in which USD students' academic and social development is amplified through complementary spiritual growth.

Persons of all religious traditions and those still searching for their religious identity are invited to take part in University Ministry's liturgies, programs, activities and services. In addition to a vibrant Roman Catholic sacramental life, University Ministry offers immersion trips, local service opportunities, retreats, small faith-sharing communities, pastoral counseling and companionship, scripture study and all-faith services.

All of the center's programs are designed to empower students, staff, faculty, and alumni to:

- build a faith community
- develop a mature faith
- educate and work for justice
- nurture personal development
- cultivate leadership for Church and society
- form a Christian conscience

Those interested in learning more about the Catholic Church or preparing for the Sacraments of Initiation (Baptism, Eucharist, and Confirmation) may take part in programs presented from mid-September through May. Likewise, University Ministry staff members are available to assist in preparation for marriage in Founders Chapel, The Immaculata or in another Catholic church.

The USD community gathers in prayer each Sunday evening for Eucharistic liturgies in Founders Chapel at both 7 p.m. and 9 p.m. During these vibrant celebrations, the campus community is renewed and refreshed for the on-going work of finding God in the midst of study, work and play.

ACADEMICS

Admission to USD, which consistently ranks among the top schools in the United States, is highly selective. USD received more than 10,584 applications for approximately 1,100 undergraduate openings in Fall 2008. The Class of 2012 entered with a GPA of 3.79 and an average SAT score of 1190.

In late 2008, *U.S. News & World Report* named the university one of the top 20 national “up-and-coming schools.” In 2003, USD joined the elite company of Phi Beta Kappa, the nation’s oldest and most prestigious academic honor society. The university was granted membership to the Mortar Board national honor society in 2000.

Applicants are expected to present a well-balanced secondary school program of college preparatory courses in English, foreign language, mathematics, laboratory science, history and social science. Both the content of the academic program and the quality of performance are considered. While SAT/ACT results are used to broaden USD’s understanding of the applicant’s potential, the university is also interested in the person behind the academic history. Participation in extracurricular activities at school, in the community or through church is taken into consideration when making admission decisions.

Financial Aid

More than 68 percent of undergraduates enrolled in Fall 2007 received some form of financial aid, totaling more than \$90 million. Funds are made available in the form of scholarships, grants, part-time employment and loans. Numbers for Fall 2008 were not available at press time. More information is available from the Office of Financial Aid or its Web site, www.sandiego.edu/financial_aid.
