

9th Annual Action Research Conference

SCHOOL OF LEADERSHIP AND EDUCATION SCIENCES

Exciting new models of action research are emerging worldwide. The 2012 Action Research Conference will explore the technologies, networks, and innovative collaborations that have emerged in support of action research in diverse cultural, socio-political, economic and institutional settings.

Call for proposals will be available in August 2011.
Proposal due date for 2012 will be late October.

April 27–28, 2012

**Emergent Models in Action
Research: Technologies,
Networks and Interdisciplinary
Collaborations**
