Welcome to USD Campus Dining

Dining Services is a not-for-profit, self-operated auxiliary that proudly serves the students and campus community. We provide over 8,000 meals a day and annually allocate earnings back to the university and students. Our nationally recognized, award-winning dining program includes a variety of unique retail locations, concessions, catering and conference services.

Our culinary vision is to create cuisine that is prepared from scratch using authentic, local, organic and seasonal ingredients. We are dedicated to providing you with delicious food and exceptional services at each and every meal. **This year we were ranked #18 nationwide for Best Campus Food by Princeton Review.**

Through our **Specialty Pantry** program we offer menu items that are easily identifiable and include gluten-free, vegetarian, vegan and dairy-free options to meet the specific dietary and lifestyle needs of every student.

We know that campus dining serves a much larger purpose than simple sustenance. Whether it is your first meal on campus, or you are a frequent guest, we strive to create memorable experiences and gathering places that foster a sense of community and comfort.

Torero Meal Plans

Torero Meal Plans are designed to provide you with a variety of delicious, nutritious food at a great value. All Meal Plan “meals” provide you unlimited access to Pavilion Dining - at a substantial saving - for dinner every day and brunch on Saturdays and Sundays. Unlimited access means you may return for additional servings throughout the meal period.

Flexibility and convenience are at the core of your Meal Plan. Whether you want a hot breakfast, dinner on the run or a late-night meal, vegetarian selections or a tasty snack, there are options for everyone. Since you may choose from a number of unique campus cafes and restaurants, we make it easy for you to get exactly what you want, when and where you want it!

Students may select the plan of their choice online via the meal plan channel of the My.SanDiego.edu portal (within the New Student or My Torero Services tabs).

Before selecting a plan, please carefully review the complete Terms and Conditions online: www.SanDiego.edu/Dining

Important Meal Plan Terms

- Per your Housing and Dining Contract, certain (first and second year) residents are required to have a Meal Plan. See requirements on the next page.
- Residents required to have a plan will be pre-assigned and required to pay for the required minimum plan - the Pavilion 105. You may check your meal plan status via the MySanDiego Portal (within the New Student or My Torero Services tabs) .
- Residents who are required to have a plan may not reduce or cancel their Meal Plan at any time.
- Students who would like a voluntary plan should make their selection via MySanDiego before the start of the fall semester. Voluntary plan holders have the first ten class days of each semester to change or cancel a plan.
- The Meal Plan you have at the end of the fall semester will be automatically assigned to you for the spring semester.
- There are no refunds for plans, including unused meals or Dining Dollars.
- Unused meals do not roll over from fall to spring semester. Dining Dollars do roll over from fall to spring, but expire at the end of the spring semester.

Residents who are freshmen (1st Year at USD), or transfers with 0 to 29.5 units are required to select one of the following plans:

**Pavilion Meal Plans for first year at USD or
Transfers with 0 to 29.5 units**

Plan	Meals per semester	Average # of Meals per week*	Dining Dollars per semester	Cost per semester
Pavilion 135	135	9	\$1,018.40	\$2,201
Pavilion 120	120	8	\$915.60	\$1,980
Pavilion 105	105	7	\$703.95	\$1,650

**Best
Value!**

- Be a part of the USD community, your home away from home, by breaking bread with your fellow Toreros. Pavilion Meal Plan meals may only be used at Pavilion Dining for “unlimited access” brunch (Saturday & Sunday) and dinner (Monday - Sunday). You may use cash, Dining Dollars, CampusCash, Visa or MasterCard for most other food purchases.

**Based on a 15 week semester*

2nd Year Residents who are continuing sophomores (2nd year at USD), or transfers with 30 to 59.5 units are required to select one of the following plans:

Torero Meal Plans for second years at USD or Transfers with 30 to 59.5 units					
Plan	Meals per semester	Equivalencies per semester	Guest Meals per semester	Dining Dol- lars per semester	Cost per semester
Torero 135	65	70	6	\$1,018.40	\$2,201
Torero 120	60	60	5	\$915.60	\$1,980
Torero 105	55	50	4	\$703.95	\$1,650
Torero 75	40	35	3	\$553.25	\$1,238

- One **meal** may be used for entry to Pavilion Dining's "unlimited access" dinner (Monday - Sunday) or brunch (Saturday & Sunday).
- An **equivalency** has a value of \$8. It may be used once during dinner or brunch hours at any retail dining location*:

Dinner hours: Monday - Thursday 4:30 p.m. - close, Friday - Sunday 5 p.m.- close

Brunch hours: Saturday & Sunday 10 a.m. - 2 p.m.

Here is an example of how the equivalency works: if your food purchase comes to \$7.75, one equivalency will be deducted from your plan. The \$.25 will not remain on your plan. If your total is \$8.25 you will have one equivalency deducted from your plan and you will owe \$.25. The difference can be paid for with cash, CampusCash, Dining Dollars, Visa or MasterCard.

- Meal Plan **guest meals** are complimentary! If you would like to treat someone to a meal, just ask the cashier to swipe one guest meal.
- You may view your **meal plan balance** at any campus dining register or via the MySanDiego portal Meal Plan channel.

*Locations that accept **meal equivalencies**: Aromas, Bert's Bistro, Frank's Lounge, La Paloma, Missions Café, Latelier (within Tu Mercado), Torero Tu Go and La Gran Terraza.

Commuters, graduate, law school, and resident students with 60 or more units, may choose a Voluntary Plan.
