USD Ring

Be a Part of USD Tradition

Your time at USD is something that you will remember and cherish for the rest of your life. The official USD ring is a tangible symbol of Torero pride and spirit that you can carry with you long after graduation.

The new official USD ring debuted in the spring of 2012. Crafted by Balfour, it embodies a shared experience and is only available to USD students and alumni. The ring was custom designed by one of USD's own graphic artists to encompass the look and feel of the university. The concept was inspired by the intricate mosaic in the Joan B. Kroc Institute for Peace & Justice.
