Information Architecture Summary

OVERALL NOTES

- Student Life and Careers added to main navigation
- Financial Aid to be linked from Admissions but will test during design phase to evaluate placement
- The Big Give will be moved out to first level instead of nested under Development
- MyPostings pages will be centralized and merged into a global News Center and Events Calendar area
- Faculty and Staff directory pages will be streamlined using the new directory system

OLD NAVIGATION VS NEW NAVIGATION

The School	Admissions
Academics	Academics
Faculty	Faculty
Admissions	Student Life
Financial Aid	Library
Law Library	Careers
	About

THE SCHOOL

- Content to become new About section
- Visit section to be merged with Admissions > Visit Campus
- Events and News moved out of About and into global News Center and Events Calendar

ACADEMICS

- Course info shared across programs will live in a new Curriculum section (including course resources, course descriptions, schedules)
- JD Classes page for each concentration will be merged with main concentration page
- JD grad requirements pages will include PDFs for completion and Torero Blue Book
- Advocacy and Practical Training will be split into two sections: Clinics/Externships and Advocacy Programs
- Study Abroad content will now live in academics instead of linking to a different area
- Shared Modules: Academic Calendar, Faculty Profiles

ADMISSIONS

- JD, LLM and MSLS pages will move up a level instead of being nested under Programs
- International section to move out of LLM into its own section since some information can apply to other programs
- Shared information previously under a program will move to Apply Now section where applicable
- Info for Admitted/Early Decision Students will be hidden from the navigation
- Direct Admissions Program content and page kept for now until we find out if program will be offered
- New Visit Campus section added, to include tours
- Shared Module: Cost (Financial Aid)

FINANCIAL AID

- Not in new navigation, linked to from Admissions
- Will explore in testing how users find Financial Aid to evaluate placement
- Scholarships to have tabs for JD and LLM
- Loan, Work and Disbursement sub pages to be merged with their respective landing pages
- Outside Scholarships and Veterans Benefits will split into two separate pages
- Consumer Information sub pages to be merged

LEGAL RESEARCH CENTER

- Landing page modules to include hours, features, faculty resources/tools, search (like Copley), trainings, chat (like in current site)
- Faculty specific resources moved to Faculty hub

GRAD/INTERNATIONAL PROGRAMS

- Content distributed and merged with Admissions
- Health information removed, to defer to Law Admissions or USD's info

STUDY ABROAD

- Content only linked to from Academics in current site - instead, content will now live under Academics
- Will explore in testing how users find information and how to better promote program

STUDENT AFFAIRS

- Content distributed to Academics, Student Life, About and Current Students hub
- Academic Success and Bar Exam Prep content distributed to Current Students hub or TWEN
- Archived Student Orgs will be saved in CMS but set to not publish to the live site
- Commencement, Orientation, Sidebar and Student Orgs moved to new Student Life section

REGISTRAR

- Registration content merged into When to Register or How to Register
- When to Register will use tabs for each term, First-Year information will be in it's own module. How to Register will use accordion
- Grading Policy and Class Ranks merged

CAREERS

- Content separated by audience - Student, Alumni or Employers
- Recruiting Program information merged or moved to 12Twenty
- Employment data and Symplicity moved up a level since shared across audiences
