

Academic Showcase Shiley-Marcos School of Engineering

Dean's Overview | Learning Commons

We'll begin the day with a brief overview of the Shiley-Marcos School of Engineering, where you'll explore the cutting-edge research and academic work that define the Torero engineering community.

10:00 -
10:30 a.m.

Student Panel | Learning Commons

Join our engineering students as they share their firsthand experience on the advantages of studying engineering at USD.

10:30 -
11:00 a.m.

Majors Fair | Learning Commons

Explore our exciting offerings and discover USD's unique dual BS/BA engineering programs grounded in the liberal arts.

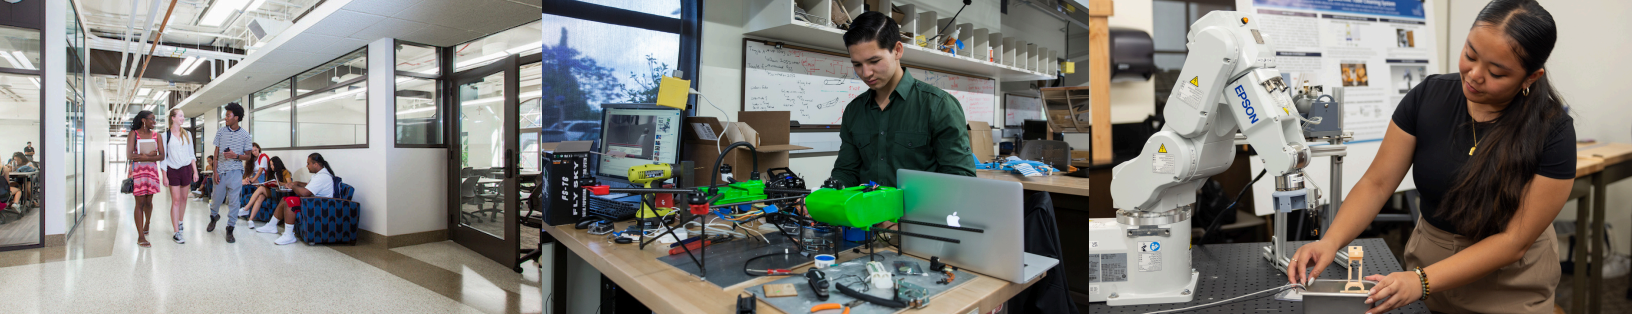

11:00a.m. -
12:00 p.m.

Engineering Lab Tours | Belanich Engineering Center

Tour our state-of-the-art facilities.
Tours depart from the Learning Commons

11:30 a.m.

To be effective inventors and practitioners, engineers must stay attuned to the needs of the community and look at problems through the eyes of all stakeholders. At USD, every engineering student earns a dual BS/BA degree. Not only will you be equipped with the critical thinking, writing and communication skills to excel, but you'll have the technical skills and global perspective to co-create just and ecologically sustainable solutions.

Engineering Programs

- Computer Science
- Electrical Engineering
- Industrial and Systems Engineering
- Integrated Engineering
- Mechanical Engineering

Concentrations

- Applied Data Science
- Biomedical Engineering
- Cybersecurity
- Engineering and the Law
- Engineering with Artificial Intelligence
- Human-Computer Interaction
- Individual Plan of Study
- Sustainability

#14

Best Undergraduate Non-Doctoral Engineering Program
