GRADUATE FIELDS OF STUDY

DEFINITIONS

Class of 2025

The Class of 2025 is defined by graduates from July 1, 2024 to June 30, 2025. The survey collects information on graduates up to 6 months after graduation.

Knowledge & Response Rate

The knowledge rate reflects the percentage of graduates for whom the institution has reasonable and verifiable information about post-graduation outcomes (79%). The response rate reflects the percentage of graduates who completed the survey (51%).

Career Outcomes Rate

$(\# \text{ employed} + \# \text{ service} + \# \text{ military} + \# \text{ continuing education}) / (\# \text{ employed} + \# \text{ service} + \# \text{ military} + \# \text{ continuing education} + \# \text{ still seeking employment} + \# \text{ still seeking continuing education})$

ABOUT THE SURVEY

First-Destination Survey

The First-Destination Survey (FDS) is conducted in accordance with the standards and protocols established by the National Association of Colleges and Employers (NACE).
