Legislative Intent—Assembly Bill No. 78

June 26, 2020

*Sue Parker**Chief Clerk of the Assembly**State Capitol, Room 3196**Sacramento, California*

Dear Ms. Parker: The Assembly Committee on Budget, which I chair, has authored **Assembly Bill 78** that establishes a Climate Catalyst Revolving Loan Fund at the Infrastructure and Economic Development Bank to receive funds from non-state governmental entities and private sources for the purpose of making loans for climate catalyst projects that further the state's climate goals. These moneys are available for expenditure upon appropriation by the Legislature. I submit this letter to the *Assembly Daily Journal* for the purpose of clarifying the intent of the use of these funds.

In the past, the Legislature has limited the expenditure of state funds so that they are not allocated for the purchase of fully automated cargo handling equipment. "Fully automated" means "cargo handling equipment that is remotely operated or remotely monitored with or without the exercise of human intervention or control."

To the extent, it is allowable and consistent with the purposes of any dollars this Climate Catalyst Revolving Loan Fund might receive, the legislative intent is to not appropriate these funds for the purchase of fully automated cargo handling equipment.

Thank you for the opportunity to clarify this matter.

Sincerely,

PHILIP Y. TING, Chair

Assembly Budget Committee
