California Regulatory Notice Register (Z Register)

Includes:

- Notice of a proposed regulation, detailed background information about the regulation and its anticipated impact, and contact information for submitting comments
 - Does not necessarily include the full text of the regulation but will explain where and how to obtain the full text (usually on the agency's website)
- Rulemaking calendar
- Responses to public comments and public petitions for rulemaking

California Regulatory Law Bulletin

- The Bulletin is a supplement to the Notice Register, published by Barclays, the private publisher that took over publication of California regulations in 1990. It primarily provides excerpts from the Notice Register.
