8 CCR § 14003

§ 14003. Physician.

Currentness

(a) Every physician, as defined in [Labor Code Section 3209.3](#), who attends an injured employee shall file, within five days after initial examination, a complete report of every occupational injury or occupational illness to such employee, with the employer's insurer, or with the employer, if self-insured. The injured or ill employee, if able to do so, shall complete a portion of such report describing how the injury or illness occurred. Unless the report is transmitted on computer input media, the physician shall file the original signed report with the insurer or self-insured employer.

(b) If treatment is for pesticide poisoning or for a condition suspected to be pesticide poisoning, the physician shall also file a complete report directly with the Division within five days after initial treatment. In no case shall treatment administered for pesticide poisoning or suspected pesticide poisoning be deemed to be first aid treatment.

(c) The reports required by this Section shall be made on Form 5021, Rev. 5, Doctor's First Report of Occupational Injury or Illness (sample forms may be secured from the Division), upon a form reproduced in accordance with Section 14007, or by use of computer input media prescribed by the Division and compatible with the Division's computer equipment. However, reports may be submitted on Revision 4 of Form 5021 for dates of service prior to October 1, 2015. Although ICD-10 coding is required on or after October 1, 2015, for a twelve-month period ending October 1, 2016, no medical treatment or medical-
