Finding and Tracking News

Reliable sources

Evaluate sources for:

- **Authority** author is identified, reputable, credentialed.
- **Objectivity** fairness, lack of bias.
- Accuracy provides references to sources, verifiable.
- **Scope** relevant to your topic and argument.
- Currency may vary by topic, but make sure you know the current state of thinking in your field (even if it's rooted in older writings).

Searching for News in Legal Databases

- Lexis, Westlaw, and Bloomberg all have searchable news categories.
 - Ability to create alerts based on a search.
- Lexis & Westlaw include general news sources like newspapers.

§ 14003. Physician.

Currentness

(a) Every physician, as defined in Labor Code Section 3209.3, who attends an injured employee shall file, within five days after initial examination, a complete report of every occupational injury or occupational illness to such employee, with the employer's insurer, or with the employer, if self-insured. The injured or ill employee, if able to do so, shall complete a portion of such report describing how the injury or illness occurred. Unless the report is transmitted on computer input media, the physician shall file the original signed report with the insurer or self-insured employer.

(b) If treatment is for pesticide poisoning or for a condition suspected to be pesticide poisoning, the physician shall also file a complete report directly with the Division within five days after initial treatment. In no case shall treatment administered for pesticide poisoning or suspected pesticide poisoning be deemed to be first aid treatment.

(c) The reports required by this Section shall be made on Form 5021, Rev. 5, Doctor's First Report of Occupational Injury or Illness (sample forms may be secured from the Division) upon a form reproduced in accordance with Section 14007, or by use of computer input media prescribed by
