Welcome to the University of San Diego!

Dining Services is a self-operated auxiliary that proudly serves the students and campus community. We provide over 8,000 meals a day and annually allocate earnings back to the university and students.

Our culinary vision is to create cuisine that is prepared from scratch using authentic, local, organic and seasonal ingredients. We are dedicated to providing you with delicious food and exceptional services at each and every meal. Our nationally recognized, award-winning dining program includes a variety of unique retail locations, concessions, catering and conference services.

In 2010 and 2011 we received gold and silver Loyal E. Horton awards for excellence in university dining for Tu Mercado and Pavilion Dining, and a Best in the Business award for incorporating sustainability in Tu Mercado.*

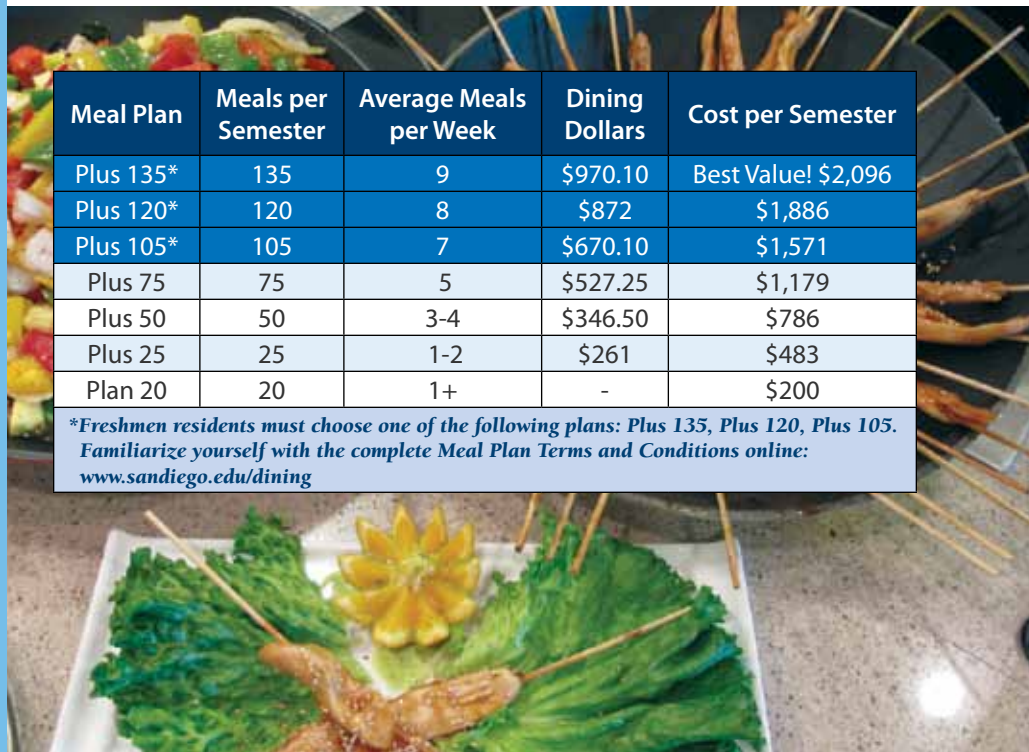

We know that campus dining serves a much larger purpose than simple sustenance. Whether it is your first meal on campus, or you are a frequent guest, we strive to offer memorable experiences and gathering places that foster a sense of community and comfort.

*Awards presented by NACUFS (National Association of College & University Food Services).
