San Diego Recycling Works

@SanDiegoESD

WHY IS RECYCLING IMPORTANT?

Reducing waste...
Saves natural resources, energy and landfill space
Reduces pollution
Creates jobs

California cities and counties must divert at least 75 percent of their waste from landfills by 2020.

REUSE IS IMPORTANT!

Don't forget that you can also donate, sell or exchange materials that are in good condition. There are plenty of options for reuse in the City of San Diego:

- Habitat for Humanity Restore - sdhfh.org/ReStore.aspx
- Sustainable Surplus Exchange - sustainablesurplus.org
- San Diego Craigslist - sandiego.craigslist.org
- San Diego Freecycle - groups.yahoo.com/group/SDFreecycle
- Local thrift stores
- Search for phone apps that facilitate goods exchanges

COMPOST BIN VOUCHER PROGRAM

Compost yard waste and food scraps at home. For applications visit recyclingworks.com. Call the City's Rotline, operated by the Solana Center, at 760-436-7986 ext. 700 for compost-related questions and free workshop information.

COMPOST AVAILABLE AT MIRAMAR GREENERY

At the City's Miramar Greenery, yard trimmings are recycled into compost, mulch, colored wood chips and natural wood chips. Mulch can be used as ground cover for weed suppression and erosion control. Compost improves the texture and nutrients of soil. City residents can self-load up to two cubic yards of compost and 4-inch mulch for free. All loads must be covered with a tarp. If hand-loading, bring a shovel and containers as needed. For information on cost and availability of material call 858-492-6100 or visit: miramargreenery.com

HOUSEHOLD HAZARDOUS WASTE

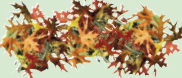

Household Hazardous Waste (HHW) cannot be placed in the trash or recycling bins. City residents can recycle HHW such as antifreeze, all batteries, fluorescent light bulbs, mercury thermometers and thermostats, paint products, pesticides, and used motor oil and oil filters at the City's HHW facility. Appointments are required. Call 858-694-7000 for an appointment or for information on retail collection locations in your neighborhood. For certified used motor oil and oil filter collection centers visit: calrecycle.ca.gov/UsedOil/Reports/CenterSearch
