**LRC Interlibrary Loan**

Due to Covid-19, many institutions' Interlibrary Loan Departments are closed. This has impacted Interlibrary Loan borrowing. Any Interlibrary Loan requests during this crisis might take additional time to receive. We appreciate your patience. If you have any questions, please contact us at ill@sandiego.edu.

In the course of your research you will encounter book titles, journal articles, theses and dissertations which are not available in the Legal Research Center or books held by San Diego Circuit Libraries. The Interlibrary Loan Department at LRC will try to borrow such items for you from another institution as quickly as possible. We ask that you follow the ILL Policies when planning and placing an interlibrary loan request.
